Husillos y Adaptadores: Pag. 284 / Spindles & Adaptors: Pag. 284 / Arbres et Adaptateurs: Pag. 284

- Recomendado para terrazas de madera y tarimas sintéticas. Por ejemplo, en colocación de luces de suelo.
- Highly recommended for open terrace flooring, both wood and synthetic, e.g. on ground light installations.
- Recommandé pour les terrasses en bois et les terrasses synthétiques. Par exemple, lors de l'installation de lumières au sol.
